CE 827 Investigation and Evidence 7

June 18, 1964

MEMORANDUM

TO: W. David Slawson

FROM: Norman Redlich

When Lee Harvey Oswald was arrested in New Orleans, he had in his possession the attached piece of paper which now carries FBI Identification No. D229. Lieutenant Martello of the New Orleans Police wrote down the contents of this slip of paper and gave it to Agent Quigley of the FBI. This was introduced as Commission Exhibit No. 827 during Quigley's testimony. I think that the original document or the FBI photograph of this document, which is also attached, should be introduced into evidence. I am forwarding this to you since I presume that sometime in the future you will introduce into evidence a variety of documents in connection with Oswald's travels. Since this paper was obviously prepared in Russia, it may be appropriate to introduce it at that time.
